## Governor's Message

Hi all, hope you like your new home. As our family grows we are looking for help to keep it nice, for everyone to enjoy. If you can help or even tell us what you would like, we would be happy to hear from you.

Hope everyone drops in soon to see our new Moose Lodge.

Fraternally,

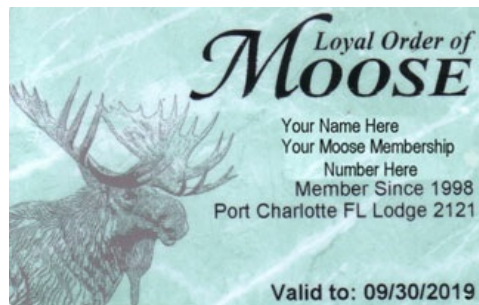

**Bob Gibson, Governor**

## The Bar is Open!

**Gordan Griemsman** was the very first customer at the bar in the new Lodge's Social Quarter Bar. **Cheers Gordan, and cheers to us all!**

## Important Message

**Be proud and show your Moose Membership Card at the door each week.**

If using Social Quarters Door use your Moose ID card to open the door and if you have guest sign them in the guest book. If it is a dance night you need to pay at the main door before you enter the dance area and always sign your guest in the guest book. Remember your guest after two visits needs to pay for a membership and submit the application to whoever sponsors or give application to the board of officers so we can get them enrolled.

You need to have your membership card out and ready before you reach the door in order to

process members quickly at our Friday night dances. Our new members need to show their receipt for membership if you haven't received your card.

## Message the Administrator

We are happy to announce that the liquor license has been approved. We sold our first alcoholic beverage in "our very own lodge" on March 18th. It has been over 14 years since this has occurred. Ben and myself were away at convention and could not witness such a great celebration. Wow!

The cooks Al Winter and his assistants Kevin Archer, Red Johnson, Judith Parmer and Charlotte Freitas did a great job with cooking the corn beef and cabbage.

Last Thursday night the Tri Tip Dinner was a smashing success. Thanks to Mitch Laing and Sue for all their hard work plus all the people who helped serve. Kathleen was making drinks in the social quarters at a break neck speed. (I jumped in behind the bar

and gave her my help pulling beers, suds and all).

Ben and I just returned from the Cal/Nev Convention in Reno and came away with more information as to how our lodge can be a outstanding shining example of a lodge who helps our community and how to better help Mooseheart and Moosehaven. Thanks to everyone that has made these trips possible.

Ellie and Buddy Watts sorry I did not know you were both ill....Welcome back. Pat Deas what a surprise to see you enjoying our new building and hopefully you will be up to returning soon.

On a sad note one of our Pilgrims Don Frati had a heart attack at the convention and was in the hospital several days. He is recuperating at home and I am sure he would welcome your cards. Hang in there Don and a speedy recovery to you.

Our landscaping looks great. Thanks to Bob and Margie Schultz for the loan of their gardener for our landscaping. What a nice donation. Al and Sharon Fernandez gave us a beautiful picture we hung in the pool room over the bench seat. Thank you. Mary and Walter has donated to have carpet installed on the band wall. Many thanks. We are forever grateful to everyone for there donations.

Donna and I would like to thank Harold Hauff for the Moose wall hanging which we hung in the hallway. It is beautiful and it is wonderful how much love was spent making such a great piece of art for us.

I am forever grateful for the many donations of money, loan of equipment, and all the help that was rendered making "our lodge home a reality." Do not forget Al Winter for he has given many hours of his time to keep me on track. Charlotte Freitas for always being there at the door. WOTM for donating the table cloths and the many members for helping to pick up after our dances.

We need volunteers to held with the many upcoming events and also need chairmen for the the many projects. Do not hesitate to step forward and be of help. Suggestions are always welcome. When you work on a committee with Moose members you learn more about the fraternity and how it works as a unit.

Please plan on attending Saturday May 21 to welcome Terry Wells our Supreme Governor to the lodge. We will be adding more events to our monthly calendar in the coming months so stay tuned in on your computer.

Amy Piazzzi has had pneumonia and has been the in the hospital. She should be going home to recuperate soon. Barbara Wallace has been down with the flu and we pray for a fast recovery. We miss both of you at the lodge and get well soon. Take your vitamins, drink juice and plenty of bed rest.

Two of our LOOM members had operations and recovering at home. Kurt Wehrmeister the territory manager had his leg operated on and is recovering at home and another member is also recovering at home (he knows who he is). Corinne Archer is also recovering from a leg operation. We wish all a fast recovery period. Were all of you skiing on the same slope or what? Watch for those trees.

God Bless and keep everyone safe from harm.

**Gary Packard, Administrator**

## **Notes from Bob Snow**

Well we made it to 3559 Airway Drive in Santa Rosa on February 12th. The nite was attended well. We were able to renew old and new members. What a great evening it was. The new dance floor is big and beautiful. What a beautiful building. (Thank you Gary Packard)

On a sad note we lost one of our Moose brothers Robert Perry on February 10th. A large amount of Moose members attended Bob's funeral to say goodbye. Bob was a past governor of Moose Lodge #458. He attended regularly at our Friday night dances because he loved the dancing. Rip "Bob Perry."

If anyone is aware of a sick member or if any member needs help. Please call our Prelate Robert Snow at Santa Rosa Moose Lodge #458.

Bob Snow
