Santa Rosa LOOM Lodge #458 • WOTM Chapter #310 • July/August/September 2016

## Welcome to our New Pilgrim!

Gary Packard, our administrator, was summoned to the "House of God" at Mooseheart on June 4, 2016, to receive the Pilgrim Degree. The Pilgrim Degree is the Highest Degree of the Loyal Order of Moose. Only 1/2 to 1 percent of Loyal Order of Moose get this very special Pilgrim Degree. Only 9 men from California received this high honor for '2016'.

A Ritual Team will be coming from various lodges to perform the Pilgrim Presentation Ceremony for our New Pilgrim. Invitations will be sent with an RSVP only.

**Congratulations Gary!**

### Be proud and show your Moose Membership Card at the door each week.

If using Social Quarters Door use your Moose ID card to open the door and if you have guest sign them in the guest book. If it is a dance night you need to pay at the main door before you enter the dance area and always sign your guest in the guest book. Remember your guest after two visits needs to pay for a membership and submit the application to whoever sponsors or give application to the board of officers so we can get them enrolled.

You need to have your membership card out and ready before you reach the door in order to process members quickly at our Friday night dances. Our new members need to show their receipt for membership if you haven't received

## Community Service

**SCHOOL BACK PACKS DONATION OF MONEY OR SUPPLIES OR BACK PACKS NEEDED.** Many of the children need these back packs and school supplies to help them further their education to carry their books and homework. The school supplies helps many children who's parents do not have the means in which to purchase them...so be generous and help these children

**Moose brothers and sisters we need your help to support the food bank.** There are many families in need that go to the F.I.S.H. food bank and we need for you to bring canned and non perishables in so that we can donate them. We need to help our local families in need. Thanks for your help in the past but food is always in need.

**We are still collecting donations for the homeless** and family's in need of coats, blankets, socks, long johns, hats and gloves to help keep them warm at night and during the cold mornings.

**We love and appreciate all the veterans** that have served our country and we need them to feel we appreciate them....so go through your homes and see if there is something you can put in the donation basket. We are collecting hygiene products, tee shirts, socks and the women can use hair spray, lotion and perfume, etc.

**Our local animal shelter** on Sebastopol Road can use towels, small blankets, treats and toys. Please open your heart to our heavenly creatures. We have a basket in the lobby for these much needed items.

## Message the Administrator

Terry Walls, Supreme Governor cut the ribbon at the grand opening of Santa Rosa Moose Lodge 458 on May 21st and was attended by an awesome crowd. Thanks to all the members that traveled here for this wonderful event. We appreciate all the support you give our Lodge.

We got the patio area ready "just in time for the grand opening".

The crew that did the work were Richard Elia, Ben Gibson, myself and wife Donna. We all ran out of steam and were beginning to feel we were not going to finish on time for the grand opening and God answered our prayers with Mark Fuhri and Chris Riebli coming to our rescue and they finished the last section. Thank you everyone.

It saddens me to announce the loss of these members Mary Olson (Kenneth Thompson's girlfriend), Vaden Green (husband of Ursula we know their sons as the Green Brothers band), Patrick Synan passed away Memorial Day, Dorothy Aggio, Joanne Montgomery passed away June 13th and, Helen Berlew all were members a very long time. Joy Baker lost her mother in June. She was also Jeri Haley's grandmother. Our Lodge extends our sympathy to all the families and many friends of these members.

Don Frati as reported in the last news letter did not have a heart attack it was a TID. He said he is doing great. Marcy Russey we hope you have a speedy recovery from your fall. Jim take good care of her we need to see you both dancing at the lodge soon!

The lodge is grateful for the carpet behind the stage area. We thank you Mary and Walter Brusatori, Charlotte Freitas and Harold Hauff for making this happen. Thank you Betty Jones for the donated white patio table with the umbrella for our patio area.

WOTM did a fantastic job with the Father's Day Breakfast. It was delicious and everyone

had a great time. Thank you WOTM and their worker bees for all the hard work put into it.

We have a lot of new members and we extend our hardy welcome. Our members are doing an outstanding job signing them up to our great family.

I was summoned to the House of God at Mooseheart to receive the highest degree of merit in the Moose "the Pilgrim Degree". The Ritual Team from will be performing this special service at the Lodge on Saturday, August 27 at 5 O'clock. It will be RSVP only (we need a head count for dinner and also space is limited).

We are still searching for volunteers to held with the many upcoming events. We need chairmen for the the projects ahead of us. Do not hesitate to step forward and be of help. Help is needed keeping our hall nice and presentable. Here are just a few tasks... sweeping, mopping, serving, setting up tables, cooks for dinners, keeping all stainless steel appliances shinning in the kitchen and bar area, keeping our bathrooms in tip top shape, vacuum pool table area, trimming bushes and blowing the parking area, etc. Suggestions are always welcome. When you work on a Moose committee you will not only gain new friends but how the Moose fraternity works as a unit to further our knowledge as brothers and sisters of our lodge.

Please introduce yourself to bartenders Kathleen Nelson, Nancy Morgenroth, Marty Kimes and Warren White. These people are strictly volunteers and I appreciate all their help. And thank you to Mark Fuhri for all his expertise with the door, cash register and computers... outstanding work.

**And lastly, we are having a huge event on Saturday, July 30th.** This is a fundraiser for Valley of the Moon Children's home as well a public Membership Drive. There will be music, games, a silent auction and a smoked rib dinner. Ticket price will be \$30 per person. Please look for the poster and email blast for detailed information. Our bartender, Kathleen Nelson, is chairing this event and is scheduling volunteers in one hour time slots. We all have one hour to donate for such a worthy cause. She is also looking for silent auction donations. Please help make this a successful event. Let's do something for our community and increase our membership at the same time.

God Bless and guide all that are having loss in the family, health issues and any other crisis.

**Gary Packard, Administrator**
