Santa Rosa Moose Lodge #458 • WOTM Chapter #310 • November 2020

## Message from the Lodge Manager Treats and Votes

The cold weather is finally upon us which is good news for all the firefighters and disaster-exhausted residents of Sonoma County, but bad news for everyone running operations outdoors due to COVID. **Here at the Lodge, we are preparing by installing newly purchased heat lamps and adding a roof to the patio.** The roof will keep the rain out, but be high enough to keep air flow coming in. We're doing everything possible to remain open and safe. There's not enough "thank you's" to bestow upon volunteers Mark Fuhri and Chris Riebli for conceptualizing and constructing the roof (with input from a contractor). Their generosity is both humbling and inspiring. We couldn't continue to remain open without the two of them. If I had a pony to give to you each, I would. (I know - pony?).

Voting is happening outside my Lodge office as I type. **I'm sure many Lodges have donated their space for elections but I continue to be proud to offer ours during this Presidential Election.**

It's been a process. There has to be an officer here when our doors are open. Thanks to everyone on our board for rotating shifts throughout the 4 day span. (More people I'd like to hand over ponies to).

October had some fun moments and missed opportunities for members starting with Vinyl Night on the 9th. We had a special delicious Meatloaf Dinner but very low attendance. Vinyl night is a very fun event. Music from every genre. This is a toe-tapping, sing-along night.

**You can't help reminiscing to the old songs while grooving to the new ones.** Our next Vinyl night is on Friday the 13th, (always the 2nd Friday of the month), which includes a special Pork Chop dinner. **Do. Not. Miss. This. Event.** Give it a try, you won't be sorry.

On the 4th Friday in October, we had Rick B and Friends performing 60's and 70's classic Rock and Country (see Video below). When entertainers play in our patio, it is truly an intimate, special night. **Supporting performers in a safe environment, in a time where there aren't very many venues to perform in, both serves us and them.** We are going to continue to support artists, look for a live music holiday sing-along in December.

Our Halloween party brought members in to dine with a special pasta dinner. Many got into the spirit and wore costumes. **We played A Nightmare before Christmas on a large screen built and donated by member Mike Myers.** I confess, we need to improve the movie quality, but the idea is unique and we will continue to explore it. A grateful thank you goes out to Diana Fraser-Myers for helping to decorate and her donation of table lanterns. You and your husband are my new favorites (wink).

I also would like to thank Wendy Young, Melissa McCollum, Danny Wilbrandt, Tammi Matthias and Janet Rodgers for helping on various Friday nights with serving and clean-up. Thank you WOTM for stepping up!

My parents, Gary and Donna, were here for a short stay in October. **I walked into the Lodge one day to find them mopping and cleaning – some things never change.** I think they were happy to see so many new and old faces dining and enjoying the patio, although it seems they have acclimated to the Arizona weather and found Santa Rosa a bit chilly.

**I am sad to report that our friend and member Barbara Wallace is not well.** Her condition is serious. She is currently at Sutter but will be transferring to Creekside. This is such sad news. I also received an email today from a member to let us know that Bill Cole is also in serious condition with liver cancer at Memorial Hospital. Please send your prayers and well wishes to both these very fine people.

Faithfully yours,

**Kathleen Nelson**

## Message from the Governor

Good Day Moose –

Halloween is behind us and we begin the Holiday Season at the Moose Lodge. Our first, is "Election Day"... our Lodge is a Polling Place and we need to thank Kathleen again for her thoughtful foresight in making this happen. The Lodge purchased two (2) patio heaters to be used during cold fall/winter nights – there should be no reason why you can visit the Lodge and enjoy our hospitality!

**Your Board of Directors continue to seek out ideas for fun and entertaining events at the Lodge.** If you have an idea, please pass along. I want to thank all of the Board members that continue to step-up and make this Lodge one of the best in the State. One Moose cannot do it alone, it take a Community!!

**Jim Walker**  
Governor

## Message from the Senior Regent

**Please join us for Secret Santa by [clicking here to register by November 6th](#).** Computer generated matches will be done on November 7th at which time you will be notified who you have been matched with. **Gift exchange must be completed by December 11, 2020.** Once you receive your gift, please acknowledge your Secret Santa on the site so she gets credit for completing the exchange. **Spending limit is \$40.**

**After registering, complete your wish list** and share a mailing address (which is only visible to your designated secret santa.) You will be able to see the wish list of the WOTM member you are matched with. You can order items from the wish lists and have it shipped directly from the Elfster site or choose from any other form of completing the exchange that works best for you. **Let the holiday shenanigans begin!**
