Message from the Moose Lodge Manager February Rocked!

Hello Moose Friends!

Spring is in the air or maybe that's just wishful thinking with the sun shining daily all of February. This month has gone by so fast. One of our members got married on Valentines Day at the Lodge – congratulations Thommy and Eilene Palmer. What an amazing event! I didn't recognize the Lodge it was decorated so beautifully. We're so lucky to have them both as members. **I think we need to create "his" and "hers" moose pajamas or something for these two in honor of their wedding memories forever being here at our lodge.**

Ben Gibson, gave me a scare when he collapsed at home on Saturday, February 15, which sent him into the hospital for a few days. Thank God he is okay. I fear I have leaned on him too much. He is still our Governor until May but his duties will be very light. Please say hello and shake his hand next time you're in, he has served our lodge so very faithfully. He will leave us with very big Moose sized shoes to fill when he retires.

The "Welcome back to the neighborhood Coffey Park Free Spaghetti Dinner" was an amazing event, riding the community high. **125 grateful neighbors showed up, some of which had just moved back into their homes that day, to dine and check out our Lodge.** They couldn't believe that we cared enough to do this for them. The smiles on their friendly faces left everyone in a good mood. There were so many Moose members that volunteered, I hardly know where to start my thank you(s). Finding someone to cook at our Lodge is usually troublesome, but Joe Dellabruna (from the band Good Old Boys) stepped up to prepare the pasta. With donations of homemade sauce from Mary Brusatori, Deb Gibson, Melody Patterson and Jim Walker – it made the task not so daunting. Janet Folk and Melody kept the Caesar salad tossed while Stacy & Scott Iverson, Patty Dellabruna, Jeri Haley, Mary Kelly, Danny Wilbrandt, Deb Gibson, Mary Brusatori, Barbara Wallace, Frank Helm, Matt and DJ Jones served, cleared tables and talked to our guests. Rachel Anderson helped behind the bar, so I could nurse my cold and be a Lodge Manager (I bow to her). A special thanks to Mary Kelley and Janet Folk for diving into the dishes, the worst task of the night. Thank you to each and everyone of you for giving so much of yourselves. The community beyond and the member community within, has left me humbled and filled with so much happiness—this is what the Moose is all about.

On the last Friday, February 28, the WOTM hosted a Pajama Sockhop Pizza Party Dance. **This was cozy event with some party goes showing up with in Unicorn/Parrot pajamas.** DJ Wane entertained and had peoples dancing to the 1950's Rock n Roll classics.

With good weather ahead, I would like to start a fixer-upper fund to flip our patio into something awesome in time for summer.

If you can contribute a dollar or two it would be appreciated. I will be placing a donation box on the bar. OR, if you can help with the renovation please let me know. Let's do this patio make over, so this summer we can fire up the BBQ and bask in the sun.

On Thursday, March 18 we will be having a new member mixer.

This is the perfect time to get to know your fellow Moose calves and learn about the Moose organization. There will be free appetizers from 5-6:30pm in the social quarters so come on by baby Moosers or whoever would like to know more about the organization.

I'm still on the hunt for a cook for Friday nights, especially now that Ben is retiring and off-duty. So if anyone would like to step up and flip some hamburgers, please let me know.

We are now serving craft beer at the bar. It has been requested by some younger members to carry local brews. **I'd like to support the neighborhood so we are now serving Cooperage's Curt Diggle Hazy Pale Ale. And soon, we will also be serving Plow's Sonoma Coast Pils.** These beers are a little more expensive but well worth it. Also new at the bar we are serving Shade Tree Sauvignon Blanc and Rose. Two members Dana Von Sternberg and Jeff Okrepkie craft these wines in small little cans so they are fresh every time. They are actually designed to be drank out of the can, but fear not we will always have a glass waiting if a can is not for you.

It's Election season at our Lodge. Nominees have stepped forward for the men. **To get to know the future LOOM board come to our general board meeting on Thursday, March 19th.** Additionally, the women of the Moose desperately need board members, and with the surge of new women members, this should not be problem. Please, please attend the next WOTM board meeting on the last Thursday in March on the 26th, if you want information or would like to become a nominee. The new board officers don't take over until May.

March is a busy month, please check out the events calendar coming up below in the newsletter below.

Hope to see you soon!

Faithfully yours,

Kathleen Nelson

Message from the Governor

Hello fellow members,

We are looking to fill positions on the board for the coming year. If you are interested please come to our first board meeting in March on Thursday the 5th at 6pm.

We have a lot of activities for all to enjoy. Make sure you check our this month's calendar.

Leon Larsen is turning 85 on March 16th. If you'd like to send him a birthday card, mail cards to 200 Fountaingrove Pkwy #41, Santa Rosa, 95403.

It was great having all our neighbors from Coffey Park for our Spaghetti feed on the 22nd. We met new friends and talked to many people. It was nice and I'd like to thank all the volunteers for their help that made it a success.

Ben Gibson
Governor

Message from the WOTM Sr Regent

Hello Ladies,

Here we are already in March. May is right around the corner and that is when new board members will take over the WOTM for 1 year. We need a senior regent and secretary to start plus a few other women to take the remaining chairs. Please see me for more information or come to our board meeting on Thursday, March 26 at 6:30pm. These positions are very simple and easy to perform. If we do not get a new board members to take over there will not be a women's chapter in Santa Rosa. Chapter 310 will close. All women will have to transfer their memberships to another lodge. Please contact Barbara Wallace for information on the secretary position and Joy Baker for the Senior Regent and other chairs. This is very important if we want this lodge to survive. Even though it is likely that the men and women will be joining in 2021 the women will need to keep a board in the meantime.

Please make a note on your calendar and join us at our meeting on Thursday, March 26th at 6:30pm to learn more about the WOTM.

See you at the lodge,

Joy Baker
Sr Regent

We have live music happening on four different occasions in March starting with Open Mic on Friday, March 6th. This event only comes around every other month so be sure to come on in and watch the talent. These intimate eclectic performances on our social quarters stage would be hard to find anywhere else. Anyone is welcome to get on stage and showcase their talents. So grab your guitar, harmonic or joke book and entertain us – I dare ya!

The following Friday, March 13th, is dance night in the hall with Band Good Old Boys. Come and practice your swing or line dance moves or simply come in and listen. The Good old Boys will keep your feet tapping.

St. Patricks Day happens on Tuesday, March 17 and we are cooking corned beef and cabbage for \$15. Please RSVP to Kathleen at 707 546 0637 or email info@santarosamoose.org.

The third Friday brings **BINGO**, a member favorite. Just buying a \$5 bingo card supports the Santa Rosa Boys & Girls Club. This is a spin on your grandma's bingo with music and mayhem.

Saturday, March 21 is the NorCal Moose Legion Spring Fling. Legion members will be coming in from all over Northern California to enjoy a day of game playing (shuffleboard, pool, darts, corn hole and horse racing). The day will end with a dinner/dance featuring live music from band Good Old Boys. All Moose members are invited to enjoy the festivities. \$15 Moose Legion Member/WOTM/Spouse/Guest or \$20 Non Moose Legion Male Members, ticket price includes all gaming and the dinner/dance.

Saving the best for last, our **Bootlegger Ball Dance & Casino Night** happens on the last Saturday of March on the 28th. DO NOT MISS THIS EVENT!
