Santa Rosa LOOM Lodge #458 • WOTM Chapter #310 • July/August/September 2017

District Picnic coming up August 5th

Everyone is welcome.

Event start around 11:30am after the Legion meeting at Sonoma's Lodge.

Food will be sold - BBQ hamburgers, hot dogs and chicken.

First come, first serve for food choice.

Come and enjoy some Moose Summer fun!

Our Event Calendar is lacking for the Fall

We need volunteers to host fun events.

All we need are 12 volunteers a year to cook in order to have a special dinner each month. Do you make a mean meatloaf, savory baked chicken or have a yummy family recipe for polenta? Email your menu and **volunteer once a year to cook!** We'd love to start a special dinner on Thursdays - give back to the lodge you enjoy and leave your fellow members smiling!

Message from the Administrator

This has been a very sad year for the loss of some of our old members. The loss of our Moose brother Al Winter who was a tremendous help to me and I miss him tremendously, we had some very tense times with building and maintaining our lodge and I thank Al for everything he has taught me. Al has done about everything in this lodge and I say to you Al "job well done." We extend our sympathy to his family and many friends.

We are extremely proud to say our membership is growing. KEEP UP THE GOOD WORK OBTAINING MEMBERS. Sooo lets all pitch in and talk to our family, friends, and neighbors about this beautiful lodge of ours. Invite them down for a dinner, dance, pool, shuffleboard, darts or just to hang out in our social quarters. Let's keep growing in membership and participation in lodge events.

Donna and I were here cleaning on Saturday June 3, 2017 and we had a surprise visit from Moose International Jan Fegulia and her niece. She was impressed with our lodge and wanted to see Santa Rosa Lodge #458 while she was in the area. Thanks Jan for the visit.

If you see "garbage or popcorn" on the floor take time and pick it up. If you spill a drink on the floor, please get something to wipe it up. Doing this may prevent an accident of somebody slipping, falling and hurting themselves. Also if you see garbage or a weed in front of the building stoop down and pull the weed and discard the garbage. We want our lodge to stay clean. Most of the work around here is done by volunteers, lets all pitch in to help. Our kitchen staff works hard to cook for us, please take the time and thank them for volunteering for this task. Thank you to "all our volunteers" that keeps our lodge tidy and especially the cooks for their hard work. Thank you Ian and Lisa Carlson for being regular cooks on many Friday nights (sometimes they surprise us with a specialty recipe..one of his mother's. I heard nothing but compliments.) These volunteers are very special so give them a smile and thank you for all they do. It gets extremely hot in the kitchen; but we are working on the problem.

We fixed the roof on the kitchen and social quarters side of the building. No more leaks this winter. Yeah! We got a new 5 ton air condition and heater and we hope to get it installed soon! The lodge has a huge "to do list" such as putting some more bark in front of the building, fixing the lights around the building that have come down, touch up painting, clean up the back storage sheds, yearly cleaning of the lodge which we need volunteers to help with this task. Hopefully, we can tackle the patio area soon.

Again we do need help in all aspects of running our lodge as to keeping it clean and tidy. Volunteers are needed in the kitchen (cooks, dishwasher, general cleaning in kitchen area), yard maintenance, bathroom duty, patio area just generally keeping our lodge clean. Step up and chair a committee for the many functions we do and maybe start something that we have not tried yet. Does anyone know how to line dance and know someone who would be willing to volunteer to teach a class during the day or evening hour?

I will be attending the Moose International Convention in Tampa, Florida representing Santa Rosa Lodge #458. Attending these conferences and meetings is helpful for me to better function as lodge administrator and obtain knowledge from other lodges in the United States and Canada.

Congratulations WOTM on their new board of officers. LOOM Board of officers welcome aboard and congratulations. Our new board of officers are listed in this news letter.

Our District Picnic will be held at the Sonoma Lodge on Saturday August 5, 2017. Legion meeting 10:00 am followed by District Meeting and then picnic. Everybody is invited to attend the meetings or picnic only. Please make an effort to attend this fun "get together" and meet other lodge members in our district. We have four other lodges in this district...so let's socialize and show how friendly we are in Santa Rosa #458.

Thank you Mary and Walter Brusatori for cookware and also Ben and Debbie Gibson donated some pots and pans. Anita and Art Burr for Christmas decorations. Sharon and Gene Cahn for items for the bar. Midge Taylor gave this awesome Moose picture frame and I thank you from the bottom of my heart for such a gift also Leon Larson thank you for the beautiful Moose plate.

Jim Banks and Dale Neeley have been under the weather. Rina Elia is mending slowly from a strained back and side. Please pray for Gene Cahn and his family for he is still in the hospital. Richard Spiker is healing from recent surgery on his knee. Take care of those knees and legs Harold Hauff and Walter Brusatori. Bob Schulz has been down and is on the mend. Let's pray that all get healthy soon!

God bless all and have a safe summer.

Important Message

Be proud and show your Moose Membership Card at the door each week.

If using Social Quarters Door use your Moose ID card to open the door and if you have guest sign them in the guest book. If it is a dance night you need to pay at the main door before you enter the dance area and always sign your guest in the guest book.

Remember your guest after two visits needs to pay for a membership and submit the application to whoever sponsors or give application to the board of officers so we can get them enrolled.

You need to have your membership card out and ready before you reach the door in order to process members quickly at our Friday night dances. Our new members need to show their receipt for membership if you haven't received your card.
