

The Antler

Santa Rosa Moose Lodge #458 • WOTM Chapter #310 • October 2020

Message from the Lodge Manager More of the Same

I write this message as yet another fire burns near our city. Our hearts go out to members, and all Sonoma County citizens, who have had to evacuate or been affected by the fires. **The men's and women's boards have come together to form a committee to write a Fire Community Support Playbook that would address the needs of our community when these catastrophic events happen.** We want to be as effective as possible in aiding our members and the community. If you would like to volunteer for this committee, contact me at 707 546-0637 or email info@santarosamoose.org and I will forward your information to the Committee Chair, Wendy Young. In the meantime, please let us know if we can come to the aid of any of you who may have been displaced.

Is it really October, already? **In anticipation of the cold weather, we will be adding heat lamps to the patio and a roof that will still allow some ventilation.** There's a possibility that the county will be opening up to include small "inside" gatherings as soon as mid-October. Even though we may be able to go inside, the patio will still be available and even encouraged, as a place to dine and drink. We'd like to be as safe as possible in this COVID climate.

If you missed Ellie Jame's performance last Friday, you really missed a treat (see above video). It was an extraordinary night with members of all ages enjoying her amazing talents. I have yet to experience a night like it – it was electric. **I felt like it was a high point for me as Lodge Manager, a culmination of efforts, finally coming together.** I'd like to thank Diana Fraser-Myers for volunteering to help wait tables for the event. Diana you are amazing. If any of you would like to volunteer, or help, please contact me. Please do not allow the board and myself to burn out.

We are having a blood drive at the Moose this Sunday, October 4th. This is a collaboration between the 20/30 Club and the Santa Rosa Moose Lodge. If you would like to make an appointment to give blood or find out about more information, click [here](#).

The new member special discount has ended, waiving the \$20 administration fee. I thank everyone who contacted a friend, or family member and encouraged them to join. **Please check your own cards to make sure your membership is up-to-date.** You can click [here](#) to renew. It's a very simple, quick process.

See below for our full calendar of events. **We're doing our best to offer members the most we can in these extraordinary times under the COVID County regulations.** Just as a reminder, due to the smoke from the fires, the Lodge will open if the air quality index is 150 or below at 2pm the day of opening. You can find what the index is by logging onto purpleair.com.

Stay safe, get your flu shot and see you soon!

Faithfully yours,

Kathleen Nelson
Moose Lodge Manager

PS You can log onto santarosamoose.org event page to find out about general membership meetings where all members are welcome, after our board meeting to discuss ideas, issues or any other concerns.

October Events

Line Dancing is BACK every other Wednesday in October in the parking lot starting October 7th at 6pm.

Due to a lack of attendance we are discontinuing Sunday Football. It was surprising that more people didn't come out just for breakfast because it has often been requested that we serve breakfast at the Lodge. There is however **Thursday Night Football**, watch and listen to the game on the big TV outside in the patio.

Fridays is our the big night.

1st Friday: Trivia Night, where we are offering a **special meatloaf dinner for \$12***.

2nd Friday: Record Night, spinning your favorite music and offering a **special Pork Chop dinner for \$15 (includes dessert)***.

3rd Friday: BINGO which starts at 6:30pm. Serving our regular menu. All BINGO ticket sales go to Santa Rosa Boys and Girls Club.

4th Friday: Featuring performer Rick B and Friends. Rick plays classic rock, classic country, folk rock, primarily 60's 70's, everyone from the Beatles to Bob Dylan, The Eagles and more. Dine while you listen, music starts at 7pm. Must eat to attend.

5th Friday: Event still to be determined. So stay tuned.

*Our regular menu will also be offered along with these special dinners.

NOTE: We are able to have these events operating as a restaurant while you dine only under COVID regulations that is why it is required for you to order food to attend.

For all events, social distancing will be maintained and a mask must be worn when you're not drinking or eating. You must order a meal if you drink alcohol under COVID-19 rules.

SANTA ROSA #458 **MOOSE**

Meatloaf Dinner Special
Mashed Potatoes & Green Beans

Message from the Governor

Good Day Moose –

I hope all are safe and healthy. My last message started with “Are We Having Fun Yet?”... well did we ever think it would get more crazy and scary? Not me. Throughout this difficult time, please know this Lodge will be here for you, when you are ready.

Another huge shout-out to Kathleen Nelson, Diana Fraser-Myers, Matt Jones and Ben Lehr for their efforts during last Friday Night concert with Ellie James! **This event was a huge hit and it appears there will be more like this in the future.** Matt Jones works behind the scene to make sure we have creative and enjoyable events like this.

Thank you for being a Moose Lodge #458 member. Our goal is to provide a safe,

comfortable place for you to socialize, enjoy a beverage & bite to eat. If there is anything we can do to make your membership better, do not hesitate to pull myself (or any board member) aside and let us know what you need. Be well and stay safe!

Jim Walker
Governor

Message from the WOTM Sr Regent

Hello Ladies,

2020 seems to be the year that keeps giving doesn't it? The Glass Fire ripped through our community this past week causing destruction and devastation to some and PTSD symptoms for many others. Many people are still evacuated and have not been able to return home yet. **The Women of the Moose want you to know that we are here for you. If you need anything during this time – clothes, food, shelter, please let us know what we can do to assist you.** Our heart aches for our members and our community. Know that we are strong and resilient and will bounce back from this as well.

I feel like my articles have turned into Groundhog Day. We have continued to stop and start and stop and start based on the CoronaVirus restrictions, smoke and fires. Your board continues to meet to come up with events to have fun and give back to the community. Due to the strong smoke we unfortunately had to cancel our pork chop dinner on September 11. We hope to reschedule a dinner soon. **This is a great way for the Women of the Moose to raise much needed funds to support our chapter as well and get to know each other and other members of the Moose Lodge.** We would love to have additional volunteers help us either in the kitchen or as servers. If you are interested in helping, please give me a call at (707) 478-7428 and we will add you to our volunteer list. Your board and chapter appreciate it!

Patio dining continues as air quality conditions allow. Hours are Wednesday and Thursday from 4-7 and Friday from 4 – 9.

Please remember to renew your Moose membership. We know that it probably has not been your highest priority during this trying time, but it is imperative for the WOTM that our membership base stays strong. Since we have not done fundraisers while we have been closed, your renewal will help support the Women of the Moose. Contact Kathleen at the Moose Lodge or go online to renew you can find a link on our home page santarosamoose.org.

Please stay safe and please reach out if you need any assistance during this trying time with the Coronavirus and fires. We are all in this together.

Bobbi Beelher
Sr Regent
