

The Antlers

Santa Rosa LOOM Lodge #458 • WOTM Chapter #310 • January/February/March 2017

What's your specialty?

Many have stepped forward but we still need more.

All we need are 12 volunteers a year to cook in order to have a special dinner each month. Do you make a mean meatloaf, savory baked chicken or have a yummy family recipe for polenta? Email your menu and **volunteer once a year to cook!** We'd love to start a special dinner on Thursdays - give back to the lodge you enjoy and leave your fellow members smiling!

Trad Jass Dance Starting Sunday February 5th

Trad Jass will be renting our hall on the 1st Sunday of each month. The dance starts at 1:00 pm and the doors open at 12:00 pm. They will play until 5:00 pm. The price of entrance is \$15.00. Moose members get a \$1.00 discount so their entrance fee will be \$14.00. Please come out and have a great time meeting and getting acquainted with all the dancers.

Look for these events in 2017!

Governor's Message

Here it is Christmas time again. Seems like I just finished my Christmas letter from last year. Anyway, Merry Christmas to all of our family from far and near. We have had a busy year.

Hopefully this coming year will be better. Looking forward to seeing you..in 2017.

"Happy New Year."

Ben Gibson, Governor

Message from the WOTM

Hello Everyone~

We're coming into the New Year. Don't forget to mark your calendars for our Roaring 20's dinner/dance on January 21, 2017 featuring Charlie Baker. Make sure to get your tickets early, see any WOTM officers to purchase.

We want to thank everyone for participating in our "Bakeless Bake Sale." It was very successful. Thanks again.

Halloween was also a great success and a lot of fun.

Some sad news, we lost Betty Jo Worswick on November 24 Thanksgiving Day. Our hearts go out to Joe and their families.

For all you ladies out there new and old, we would love to see you at our meetings which are held on the 2nd and 4th Tuesdays of every month at 6:30 pm at the Moose Lodge located at 3559 Airway Dr, Santa Rosa. Hope to see you there.

I will now close with the WOTM wishing everyone a save and Happy New Year!

Jeri Haley, Sr. Regent

Message the Administrator

Happy New Year! We have exciting happenings for the first 3 months of this calendar. If you would like to print the 3 month calendar click [here](#). Pre-thanks to all the special cooks for stepping up for these events. Please, everyone come out and support our lodge. Do not be afraid to come forward and volunteer. Working together is what makes a happy healthy Moose community.

Thank you WOTM and LOOM for all the hard work put out in the past. Let's make 2017 our year to shine. Remember a happy face and a smile works wonders for our new members. Walk over and give each new member or guest a hearty "Welcome to Our Moose." A hug or handshake works too!

Let's make it our goal as members of the Santa Rosa Lodge to sponsor just one new member this year. Our Moose Legion needs help too. If you are not a Legion member please sign up and come to some of the District Meetings and get involved. The Legion supports Camp Ross at Mooseheart for children who are there. Contact any LOOM officer and we can get you enrolled as a Legionaire.

I will be attending the California Nevada Moose Convention in March to represent #458 and wearing our Lodge shirt and new hat. Speaking of hats, thank you Jeannine and Finn Kjean for donating the first dozen, making your idea a big success. We still have hats to sell just ask me or the bartenders if you would like to make a hat purchase.

Thank you WOTM officers and LOOM officers for all your help this last year and I am looking forward to working with you in 2017.

Thanks needs to be given to these people for their dedication to our Moose Lodge. Al Winter I want you to know I appreciate all the hard work and cooking you do on Wednesday and now Fridays. Thank you Ben Gibson for always being here and I know we disagree with things at times but I still appreciate your help. Charlotte Freitas for being at the door and keeping a eye on the coffee and tea. My wife for all the hours she spends here helping me. And, thank you to our dedicated bartenders Kathleen Nelson and Warren White. Thanks Kathleen for your graphic design skills and helping us promote events. If not for all of these special people I would not have made it through this last year. Help is needed at all times, just ask how you can help.

Thank you Richard Elia for all your help cooking the delicious turkey dinner for our Thanksgiving dance event. All that attended said the food was exceptional and the tables looked great!

Sue donated her time and culinary talents to cook a special roast beef sandwich on December 7th. It was delicious! Attendance was more than expected. We thank you so very much!

Much fun was had by all who attended the Christmas Ball. Thank you Larry Hellix and your

crew. The lodge looked fabulous! Special thanks to the WOTM for donating an additional tree for the stage. Thank you all who donated toys for Toys for Tots. If you missed this event there is always New Years. Ring in 2017 at your lodge!

Mary and Walter Brusatori donated the beautiful Christmas tree in the lobby and purchased our red cloth dinner napkins. Thanks so very much. The hall looked absolutely beautiful, thank you Richard & Rina Elia, Mary & Walter Brusatori, Charlotte Freitas and of course my wife Donna for all the hard work decorating.

Special thanks to Mark Fuhri for donating his computer skills to members and donating the funds to achieve your goal of purchasing the new smoker for the lodge. Job well done Mark! We cannot wait to check out your cooking skills with the new smoker. Ha Ha!

Remember our bartenders are donating their time behind the bar and we are very thankful to them...so be nice. They work hard and are reliable. The servers and cooks are volunteers so have patience. If you work behind the scenes you can see how much time is needed to keep our lodge in tip-top shape.

Please plan on attending our Super Bowl party on Sunday February 5, 2017. Bring something for the potluck, the lodge will provide the meat (Mark will be firing up the new smoker), wear your favorite Jersey and relax and enjoy the game with your Moose Family.

We have members battling sickness and injuries. Many members were down with the flu. John Booner is recovering from open heart surgery. Anita Burr is still recovering from shoulder surgery. Bob Snow is doing remarkable after his leg surgery. Bill Randall is recovering from a fall and had surgery for a broken hip. Len McLean is home recovering from leg surgery. Take time for a prayer for all in distress.

Our hearts and prayers go out to Joe Taddie for the lose of Betty Jo. Our condolences go out to the Worswick family and her many friends. She surely will be missed at our Friday night dances.

Let's take time to remember the military and their families and pray for peace in 2017. Guide our new president to do the right thing and help our nation to have peaceful relations with other countries.

Come to our events and get involved. Just take some baby steps to get started and you will be very surprised how rewarding and fun it can be along the way.

Community Service

SCHOOL BACK PACKS DONATION OF MONEY OR SUPPLIES

OR BACK PACKS NEEDED. Many of the children need these back packs and school supplies to help them further their education to carry their books and homework. The school supplies helps many children who's parents do not have the means in which to purchase them...so be generous and help these children.

FOOD BANK

Moose brothers and sisters we need your help to support the food bank. There are families in need of help with groceries please donate to the F.I.S.H. food bank. Our Moose Lodge needs your help so please continue to bring in canned goods and non perishables so that we can deliver to the food bank. Thanks for your help in the past but food is needed.

CLOTHING DRIVE

We are still collecting donations for family's in need of coats, blankets, socks, long johns, hats and gloves to help keep them warm during the cold mornings and evenings. Rain is slowly approaching and do not forget the need for rain gear.

HELPING OUR VETS

We love and appreciate all the veterans that have served our country and we need them to feel appreciated...so go through your homes and see if there is something you can put in the donation basket. We are collecting hygiene products, tee shirts, socks and the women can use hair spray, lotion and perfume, etc.

Notes from Bob Snow

He is on the mend from surgery and will have something in the next Antler.

If you know of anyone that is sick or death in the family please call Bob (707 795-5585). We want our members to know that we care for them and we are their Moose family.

Important Message

Be proud and show your Moose Membership Card at the door each week.

If using Social Quarters Door use your Moose ID card to open the door and if you have guest sign them in the guest book. If it is a dance night you need to pay at the main door before you enter the dance area and always sign your guest in the guest book. Remember your guest after two visits needs to pay for a membership and submit the application to whoever sponsors or give application to the board of officers so we can get them enrolled.

You need to have your membership card out and ready before you reach the door in order to process members quickly at our Friday night dances. Our new members need to show their receipt for membership if you haven't received your card.
