

The Antler

Santa Rosa Moose Lodge #458 • WOTM Chapter #310 • June 2020

Message from the Moose Lodge Manager Hope on the Horizon

Dear Members,

A pulse was felt at the Lodge on Sunday, May 31st when the doors were open for a belated St. Patrick's Day curbside meal of corned beef and cabbage. While the board cooked, prepared and packed dinners on the inside, 96 hungry curbside patrons picked-up meals on the outside. **A life force of membership and volunteerism surged through the building, awaking the Lodge from its pandemic sleep.** Moose smiles were held by all and the generous donations received for the dinners were truly inspiring. Thank you to those who participated and donated. It's apparent, the Santa Rosa Moose Lodge is alive and well and has not been forgotten by its membership during these trying times.

Mark your calendar for Philly Cheese Steak Sandwiches on Sunday, June 28th

A reopening is on the horizon. We are planning another special dinner on Sunday, June 28th. **This will either be a curbside meal or a meal served inside the Lodge as a reopening, depending on what is allowed by the City.** We're planning on preparing **Philly cheese steak sandwiches with potato salad**. Due to the popularity of the Quarantini and COVID Cure, these drinks will remain on our bar menu indefinitely, even when they are no longer relevant. Things seem to be changing moment by moment, so if we are able to open the Social Quarters before the 28th, we will. Keep checking your email for more information.

You may have seen the emails regarding **three June blood drives happening in our Lodge by Vitalant**. If you have not stepped up to donate blood, please consider making your appointment today. For more information click [here](#). This is a big part of being a Moose member—serving the community.

The patio renovations are nearly complete! I CAN NOT wait for everyone to enjoy the new outdoor surroundings. I'd like to thank Marjori Schultz, Mary Brusatori, Pat Stolling and Vern Schuck for their generous donations to the Patio fund, bringing our total donations to \$947. We're still under the \$1500 needed for completion so if anyone would like to jump on the patio fund donation train, it would be appreciated. Please send a check to Santa Rosa Moose Lodge #458, 3559 Airway Drive, Santa Rosa, 95403 OR email (info@santarosamoose.org) your phone number and I will call you for a credit card number. Every little amount will help and add up quickly. It's going to be an amazing upgrade to our Lodge.

The board has been meeting for the past two months by social distancing in the Lodge's hall. **I am so humbled by these guys—their devotion, their commitment and their support.** They are truly the "think tank" we need here at our Moose Lodge. I bow to each and every one of them. In next month's Antler, you will get to see and meet them all, including the new WOTM board. Working together, our Lodge will be a hub of membership activities and community service. Remember, in 2021, the men and women will be joining together to create One Moose, with the glass ceiling broken, the sky is the limit. (I think I need a [One Moose] T-shirt.)

Last but not least, please keep your memberships current. There are fun times ahead and you wouldn't want to miss out. Take a quick look at your member ID card to see if it expires this month. **If you need to renew, its super easy just go to secure.moosintl.org/QuickPay/.**

Hope to see you all this month!

Faithfully yours,

Kathleen Nelson
Moose Lodge Manager

Editorial Note: It has always bothered me that the newsletter's name was "The Antlers" rather than "The Antler". I made a decision for my own self-satisfaction to change the name officially to "The Antler".

Message from the Governor

Hello fellow members,

This third Thursday of this month, (June 18th), a new board of officers will be sworn in for both the men and women of the Moose to guide us into a new era for the Lodge. Change in the Moose across the country is coming. I am looking forward to a better future for the Lodge and Legion. We need all your support and guidance for our new board. I have been honored to have served you as Governor this past year, and I am looking forward to retirement, and just enjoying the Lodge and company of all our new and senior members. Again, I thank you for your support.

Ben Gibson
Governor

Message from the WOTM Sr Regent

Hello Ladies,

Hello Ladies,

Here we are in June and hopefully everyone is doing okay. This will be my last Moose Antler's letter. Let me introduce your new women's board:

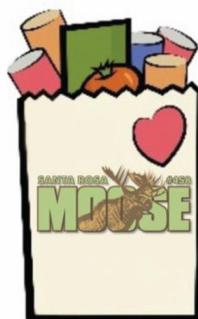

Bobbie Beeler - Senior Regent
Melissa McCollum - Jr. Regent
Wendy Young - Secretary
Daniela Wilbrandt will continue as Recorder.

No, I'm not going anywhere. I will be here helping our new board getting acquainted with their new jobs. Let's all help them proceed and rise again when we open our doors once more.

Thank you for all the support you have given me and my closing board.

Joy Baker
Sr Regent
