Message from the Lodge Manager Summer Start-up

Postpone that trip, change your vacation plans because **big things are happening in June at the Lodge!** We're starting the Summer with a Patio, Big Red Cup Party, on Saturday, June 26th to celebrate the grand opening of our back patio area.

Put on those flip-flops and loud-colored shirts and sway to the Caribbean tunes of steel drums playing live on the new patio stage. Smell the aroma of BBQ from the outdoor grills of Sonoma County Catering while sipping rum punch. Eat tri-tip or chicken with your choice two: beans, potato salad or Caesar Salad. Wear a hat made out of Big Red Cups and win a prize. Be competitive by playing games, like corn hole and ping pong. Rent our new VIP lounge for just you and 11 of your friends or family for \$150. **This is our premier event of the Summer, your \$30 ticket includes everything - entertainment, dinner and fun!** Buy your ticket TODAY, don't miss this one time special event! (tickets are available at the Lodge)

Other events happening in June are a Chardonnay tasting on Thursday, the 10th and a first ever, Hard Cider Tasting on the 17th. Bingo is more popular than ever on the second Friday, June 11th. **Don't miss musician/singer Benny Bassett's performance on Friday the 18th along a popular dinner special of Chicken Marsala for \$12.** Vinyl night is back this month with DJ Delite Parveen playing all genres of music on the last Friday of the month, June 25th with a Tri-Tip dinner special.

There were some great events that happened in May. Sipping wines at our Wine

tastings has become a main-stay on the second Thursday of the month. **The Tequila Tasting was a huge hit! We sold out with 50 tickets.** Members sampled and learned about Tequilas while they dined on a fish or carnes taco dinner. Plans are in works for a second tastings, so watch for a date in August. I was happy to see so many people come out for Bingo and support the Santa Rosa Boy & Girls Club. Callie Watts closed out the month with her and partner Kris Dilbeck's amazing performance on the patio. If you missed her in May, look for her to perform again in the fall. A must-see event!

We are now open on Saturdays from 2-9pm! The kitchen will be serving our menu. Attendance will be an important factor in keeping the Lodge open on Saturdays, so please drop by!

Rick Bolduc volunteers to help with patios additions.

I'd like to thank Rick Bolduc for volunteering to help build the VIP Moose half-walls (wait until you see them!). Officer, Tommy Palmer, came with power washer in hand to clean the back patio pavement and container. And, as always, thanks goes out to Mark Fuhri, Chris Riebli and Ian Carlson for building the new outdoor stage and helping with other back patio details like hanging the shades cloths, etc. **Things cannot improve at the Lodge without members volunteering.** So, if you would like to volunteer, please let me know. Help in any area, is much appreciated.

There is a membership special until July 31st. The \$20 administration fee is being waived. **Now is the time for family and friends to join for \$50 per year.** All new members will also receive a \$5 Moose Buck card for purchases at our lodge only. Fill out an application at the Lodge or go online.

We are looking to hire additional wait staff. If you know of anyone (18 or older) who needs a job, please let me know by calling 546-0637 or emailing info@santarosamoose.org.

We are sorry to report that member Carola Clark has passed away. Our Sympathy goes out to her family and all who loved her. Her presence will be missed at the Lodge.

We're just getting started, more things will be happening as we free ourselves from the constrains of COVID-19, so stay tuned!

Faithfully yours,

Kathleen Nelson
Moose Lodge Manager

PS You can log onto santarosamoose.org event page to find out about general membership meetings, where all members are welcome, after our board meeting, to discuss ideas, issues or any other concerns.

CALLING ALL MOOSECYCLISTS!

If you live to ride, and are interested in participating in an occasional, local ride, with fellow Moose, please let us know! We are seeing if there is sufficient interest to organize the occasional local motorcycle ride, ending at the Lodge of course!

If you are interested in helping organize, or in participating, please

Message from the President

Hello again, and welcome to the month that kicks off summer!

This particular summer is very special for me because it means that I no longer have to meet with my 60 students on zoom, and ask half of them to turn on their cameras! If you have no idea what I am talking about, consider yourself lucky. This month also kicks off our new VIP lounge, and other updates to the outside patio. If you haven't gotten your tickets for the June 26th Grand Opening party, please ask your server for tickets next time you are in the lodge. It should be a fantastic event, and will also be the kick off for us opening on Saturdays as well.

Speaking of tickets, if you were one of the fortunate ones to get a ticket to last month's tequila tasting then you certainly had a great time! I was fortunate to be able to host this event, and it sure was fun. **I learned a lot about tequilas in my research, and it just reinforces my previous statement that sometimes a little drinking can make you smarter.**

We also saw the hall open for bingo for the first time in a while, and it is a welcome change to get some things back to normal. Live music will continue be outside, and should be supported by a new stage very soon. It looks like Sonoma County will need to wait until June 15th for a full reopen, but we will be ready and waiting, and look forward to seeing you down at the lodge soon.

Cheers!

Aaron Prysock
President

Message from the Administrator

Good Day Moose,

Today is June 1st and the beginning of Summer 2021! Yes, the days are getting longer and warmer as we venture outside into our new normal... post Covid-19 living with our friends and families. **Before we start talking Santa Rosa Moose Lodge, in honor of Memorial Day, I wish to thank all of those brave men & women that paid the ultimate sacrifice for this Country we live in.** Without them, I would not be a Lodge Administrator for one of the finest Lodges in the United States of America. God Bless...

I wish to welcome Melissa McCollum to the Lodge #458 Board of Officers! Now that we have become ONE MOOSE, it was only right to welcome a woman onto the Board. Melissa was an active officer of the WOTM Board for a number of years and will bring a fresh, new perspective to our Board and Lodge. Next time you see Melissa, please give her a warm Moose cheer!

Starting this Saturday, June 5th, our lodge will be open from 2-9pm. **We are adding a 4th day to our schedule because of suggestions and encouragement from our membership.** Stop by and grab an afternoon snack and a beverage to enjoy with friends! On Saturday, June 26, Lodge #458 will host our first summer event... a PATIO PARTY... as we welcome the opening of our newest outdoor seating area, the VIP lounge. No doubt Kathleen added some great information on the patio and the party in this newsletter. I hope to see all of you here to enjoy friends, food and social connections!

My last comment is to our newly elected President, Aaron Prysock... Aaron, I am so grateful for you and your willingness to "step up" and take over the reigns of this fine Fraternal Lodge. In the limited number of meetings, you have presided over, I am amazed at your leadership skills and steady hand. I can't wait to see what you can do with a full year under your belt!

Well, that's it... time to enjoy my backyard and the pool!
