## Message from the Social Quarter's Manager August is here!

Summer is flying by, August is already here. July brought so many fun, memorable events. **Trivia night had a packed crowd with members answering the hard questions and earning extra points for their team by hula-hooping and singing "I'm a little teapot" to everyone's delight.** Don't miss this popular event again on August 27th. Free hot dog night made it's pre-COVID come back and \$2 Street Taco Thursday was introduced. I channeled my inner teenager by DJ'ing Vinyl night in 80's swag, spinning records from Tom Jones to Janet Jackson. Rick B and Friends lit-up the patio with members dancing and singing – ending the month perfectly.

There were a few stumbles. **Our membership has increased so fast (118 new members since May), at times it can be hard to manage.** Bingo night was so big that we ran out of card daubers and both the kitchen and staff were overwhelmed. We are working on the problem. First, by incorporating a new Point-of-Sale system, which will allow waitstaff to digitally send orders from a handheld device directly to the kitchen and bar. This will not only let us serve people faster, but prevent a bottleneck at the bar, where we currently have to manually input each order. Please, bear with us during our growing pains. Remember, we are a Moose Lodge, not a commercial restaurant and bar. We are working incredibly hard to serve you. Please, tip your waitstaff generously, it is truly hard work. As a Moose member, it is your duty to be helpful, so if you can dispose of your own garbage, help clear a table or even stand-up during a crisis to lend a hand, it would be appreciated.

August brings all your favorites, including steak night on the 6th, a Blind Rosé Wine Tasting on the 12th, Free hot dog night on the 19th, followed by Bingo on the 20th and ending with Trivia Night on the 27th. Some stand out events include **Ellie James performing on the 13th and THE GOOD OLD BOYS ARE BACK on Saturday, August 21st** for those of you ready to have a band back in the Hall. **If you are a new member or interested in learning more about the Moose organization, we're having a Moose Mixer with free appetizers on Thursday, August 26th.**

I'd like to thank board member Thommy Palmer, and all around good guy, for paying for the landscaping maintenance, we desperately needed. He also put the gloves on and helped trim and cut. I'd also like to thank member Michelle Glancy and Board member,

Ben Lehr for volunteering to help waitress, while I was DJing on a busy Friday night. I also want to thank member volunteer Debbie Cuccaro for helping Suzie behind the bar by inputing orders into the computer. She's helped on several occasions - thank you Debbie, we couldn't have done it without you!

**Masks are required indoors again.** So if you are not eating or drinking, a mask is required. You do not have to wear a mask on the patio. This is a challenge for everyone, please cooperate.

Great things are coming in the months ahead including Football Sundays! **That's right, we will begin opening on Sundays starting September 12th.** We are also planning a huge Halloween party fundraiser in October. So stay tuned!

Faithfully yours,

**Kathleen Nelson**  
Social Quarters Manager

### Message from the Administrator

Good Day Moose,

I am so proud of this Lodge! Since becoming the Administrator (about 3 months), our Lodge has gained nearly 100 new members! Amazing!! Credit needs to be spread around... from our Social Quarters/Marketing Guru Kathleen Nelson, President Aaron Prysock and your Lodge Board. **To be honest, this increase is because of YOU, yes YOU... YOU invite quality new members to visit to enjoy our atmosphere/food/drink and they are hooked... and they join!** For this... I THANK YOU!!!

Where do we go from here? Well, if I can suggest... INVOLVEMENT. Correct, it's now time to get involved in the Lodge! It may just be the time to join a committee or simply volunteer one night a month. Not hard is it?? **We need members to get involved in helping the Board guide this Lodge well into 2021 and beyond... can you help?** IF so, please see either Kathleen, Aaron or myself next time your in the Social Quarters. We'd love to have you become a part of our MOOSE TEAM!

**As we make it through the Summer of '21 please keep those less fortunate in your thoughts and prayers.** We are collecting food and clothing for the less fortunate and as head into fire season (no not again) we may need your assistance in providing help to someone in need. Take care and enjoy the rest of your summer!

**Jim Walker**  
Administrator
