### Message from the WOTM

Greeting Co-Workers,

I would like to thank all my co-workers that have helped so much in the last three months. A special thanks to Kathleen Nelson (your bartender) for all her support in handling our beautiful flyers and reminders. I would also like to thank all the ladies that participated in helping to put together our Autumn Dance.

In October we will be sending out our bakeless bake sale flyers. These donations will be sent to Mooseheart for the annual Christmas in October for Mooseheart and Moosehaven

And now for some sad news. We lost longtime member Pat Deas, may she rest in peace.

Wishing everyone a happy and safe holiday season.

Thank you for letting me be of service,

**Ursula Silva 707 974-8076

### Message from the Administrator

Our lodge has lost another long time member Pat Deas. Our sympathy and prayers to Pat's family and many friends.

On a brighter note Frank Helm has donated our much needed flag pole to be installed as soon as possible. Our many thanks for the generous donation. We want the community and our veterans to know we do appreciate our flag and country. We are proud to be Americans and show our color.

Welcome to our new members. Please introduce yourself to our new members (who are listed in this newsletter) maybe they will have a new idea or two we can try in our lodge.

We have to work hard and make sure all reports are on time and donations made to the various charities, attendance at Cal/Nev Convention and the National Convention (points are awarded for every thing that is accomplished before due dates). Many donations need to be made to the various Moose Charities, along with our community service and donations to them. All lodges have quota's and have to meet certain requirements to obtain our status.

About community service "we need Salvation Bell Ringers" for Saturday the Month of "December". Everyone would take a 2 hour shift...please volunteer through me and we can go over the schedule. Thank you all for making this possible.

Do not forget to drop something into the children's Christmas Toys for Tots Box in the lobby. Also, we have many people that need our help. Bring a grocery item to help them through the holidays.. a non perishable packaged, jar or canned item to donate to our local food FISH program. Give what you can.

We have holidays approaching fast. If you see my wife Donna please flag her down to RSVP and pay for your tickets before we have a sell out for Christmas Dance and New Year's Ball. Only prepaid will be admitted because we have space problem and food has to be ordered in advance.

Our lodge brothers and sisters need to know that in order to keep our bands and dances each week.....we need more attendance. It's steadily declining. If not brought up soon we may be forced to dance every other week or maybe even once a month. It has been suggested we raise our dance prices to be able to keep our current bands. Please, attend our dances regularly for we need all of you to help us keep us dancing on our beautiful floors.

We are planning a benefit for one of our lodge families. They need our help! The wife is terminal and they have two small children. The husband just recently recovered from a car accident and one of his older son's was involve another accident. The family was hit by this latest tragic news about his wife. We need a cook to volunteer, servers, and a clean up crew....please volunteer to help our young family. WE ARE MOOSE FAMILY.....SO LET'S HELP OUT ONE OF OUR OWN. Please call me Gary Packard for more information. (707 290-6271) Thank you.

Again we thank the many volunteers for all the service they render here to help keep us together as a lodge. Thank you for the people who setup and clean the dance area after our dances.... Jesse Ortiz and his girls, Rina and Richard Elia, Charlotte Freits, Mary Brusatori and Walt, Evelyn Reece, and my wife Donna. Our cooks Ian Carlson and his lovely wife Lisa, Ben Gibson, and Art Burr and his wife Anita. Oh yeah! Me too I donate time in the kitchen. Ha Ha! Frank Helm for keeping the shuffleboard ready to play each week. Richard and Rina Elia for trimming the bushes and all the other helpful things they volunteer to do. Mary and Walter Brusatori for keeping the pool and shuffleboard area clean. Ben Gibson mopping the kitchen floor constantly and other things he does around here. Barbara Wallace and WOTM for most of the tablecloths. Kevin Archer for the many times we use his equipment and services. The raising of the air conditioner.. thanks, Chris Reibli, Ian Carlson, Mark Fuhr, Ben Gibson, Richard Elia and Paul. Richard and I wired it and all have been enjoying the "cool social quarters." We appreciate our cleaning lady Tina who comes in on Thursday's. Kathleen our trusty bartender. Mark Fuhr and Jim Drain for their computer skills. Cam Folks thank you for all you do to help me. I thank each and ever one of you if I missed a name I am sorry...forgive me. We love all these generous people.

Yes. We need you to help keep this place beautiful....with clean up and whatever needs to be done.

Again thank you for sending me to Cal/Nev Reno Convention...I always learn just a bit more to help me perform my tasks here at the lodge.

#### SCHOOL BACK PACKS DONATION OF MONEY OR SUPPLIES

**OR BACK PACKS NEEDED.** Many of the children need these back packs and school supplies to help them further their education to carry their books and homework. The school supplies helps many children who's parents do not have the means in which to purchase them...so be generous and help these children.

#### FOOD BANK

Moose brothers and sisters we need your help to support the food bank. There are families in need of help with groceries please donate to the F.I.S.H. food bank. Our Moose Lodge needs your help so please continue to bring in canned goods and non perishables so that we can deliver to the food bank. Thanks for your help in the past but food is needed.

#### CLOTHING DRIVE

We are still collecting donations for family's in need of coats, blankets, socks, long johns, hats and gloves to help keep them warm during the cold mornings and evenings. Rain is slowly approaching and do not forget the need for rain gear.

#### HELPING OUR VETS

We love and appreciate all the veterans that have served our country and we need them to feel appreciated....so go through your homes and see if there is something you can put in the donation basket. We are collecting hygiene products, tee shirts, socks and the women can use hair spray, lotion and perfume, etc.

Be proud and show your Moose Membership Card at the door each week.

If using Social Quarters Door use your Moose ID card to open the door and if you have guest sign them in the guest book. If it is a dance night you need to pay at the main door before you enter the dance area and always sign your guest in the guest book. Remember your guest after two visits needs to pay for a membership and submit the application to whoever sponsors or give application to the board of officers so we can get them enrolled.

You need to have your membership card out and ready before you reach the door in order to process members quickly at our friday night dances. Our new members need to show their receipt for membership if you haven't received your card.
